WORK EXPERIENCE

Armada 2013-14
Visual designer

After Finishing College I travelled to Ljubljana, Slovenia under the EU funded Leonardo scheme. This gave me the opportunity to gain experience in a well established studio. My Role in the company was to assist with any ongoing projects, these included branding projects, Illustration and creative solutions.

Arekibo 2014-16
Graphic designer

My key responsibilities in Arekibo was meeting with clients, using wireframing tools, creating new and interesting web-designs using functional user-interface techniques in a Web design workflow. I Determined appropriate web architecture, and other technical solutions, and made relevant recommendations to clients while maintaining and developing a robust Webstyle guides for all our consumer products.

Freelance 2016
Graphic designer

After Leaving my previous Job I was lucky enough to maintain relationships with clients and project managers to build and refine websites . Becoming a freelancer gave me the opportunity to choose my own clients and the freedom to refine my Web design best practices and help create the next-generation of digital trends .
